3. Attestation Statement

This document serves as an official attestation for the JUSDC stablecoin, issued by CashMatrix Digital Asset FZE. The project operates solely on the Ethereum network under the verified smart contract address **0x3a4184028de3f2B2fB63d596ec9101328aC7A736**.

All JUSDC tokens are fully backed 1:1 with USD reserves held in secured bank and on-chain accounts. The current total supply is **37,975,000 JUSDC**, with reserves transparently verifiable via the treasury wallet: **0x0ef7b60b804f41b9bd5f1c2b46b4404571af5b3d**.

Audit and smart contract verification have been completed by **Cyberscope**. The full audit report can be accessed here: [Cyberscope Audit](#).

This attestation confirms that all circulating JUSDC tokens are fully collateralized by USD assets as of 10/22/2025.
